

Established in 1982, LaGondola Spaghetti House was based on the founder's simple belief in homemade food and excellent service. For over thirty nine years nothing has changed. Wholesome ingredients prepared fresh everyday - from our hot made from scratch bread to our signature meat sauce. To us, freshness is everything.

A great poet once said: "If you bake bread with indifference, you bake a bitter bread that feeds but half of man's hunger." With that in mind, our family restaurants have become distinguished by their dedication to one basic concept - no shortcuts. As a result, our most valued patrons have long enjoyed authentic Italian tastes, friendly familiar smiles and incomparable customer value.

We at LaGondola Spaghetti House are continuing to build upon our rich family heritage. Which for over thirty nine years makes us....

Still The Best Deal In Town.
